

Selina Kang

User Experience/User
Interface Designer

www.selinakang.ca

I'm focused on designing
solutions that make everyday
moments better.

October 2025 - Present

Research Assistant/User Experience Intern
Alaphia Financial Wellness

Conduct user research and contribute to UX/UI design for a serious game/financial wellness app focused on emotional and behavioral insights. Work closely with the team to shape product direction, develop features, and turn research insights into clear design decisions.

September 2025 - March 2026

Logistics Support
FLUI Design Jam

Coordinated end-to-end event logistics for a multi-day design jam, managing participant communications, scheduling, and cross-team operations. Supported workshops, judging, and presentations while resolving real-time issues to ensure a smooth event experience.

January 2025 - April 2025

User Interface Designer
Paperplane Therapeutics

Redesigned a tablet interface used to control VR therapy sessions, improving usability for healthcare professionals in clinical settings. Simplified navigation and workflows to support efficient use in high-pressure environments like hospitals and dental clinics.
